# 24TH ANNUAL LEKOTEK RUN 4 KIDS

AUGUST 13<sup>TH</sup>, 2016 | GEORGIA STATE - DUNWOODY CAMPUS

## CORPORATE SPONSORSHIP PROPOSAL

**Lekotek kids make great strides one step at a time.  
Support the 24th Annual Lekotek Run 4 Kids  
and strengthen their stride.**

On a daily basis Lekotek is opening doors for children with Down Syndrome, spina bifida, cerebral palsy, muscular dystrophy, autism, developmental delays, genetic disorders, hearing and visual disabilities, and chronic and terminal illnesses. Lekotek leaders, trained in special education, use select toys, computers, iPads and adapted devices designed to develop fine motor skills, language and choice making abilities. Children look forward to the ever changing array of experiences and successes as each new toy is introduced. Parents, too, enjoy having access to a diverse selection of toys which facilitate the development of skills and greater independence at home and school.

Lekotek helps parents and siblings focus on the child's abilities rather than disabilities. Family members are encouraged to participate in our music group, sibling program and community activities. While typical therapies are designed to meet the needs of the child, Lekotek strives to meet the needs of the entire family while developing the child's cognitive, language and motor skills.

Lekotek is a nonprofit organization with tax-exempt 501 c3 status. All donations are tax deductible and will be acknowledged within 48 hours. Our staff and voluntary Board of Directors conduct an annual run to raise funds to provide services to children currently waiting for services. Please help make a difference for children who do not have time to wait.

- Providing Scholarships for Families
- Providing New Adapted Toys

## What is Lekotek?

Lekotek serves children with a wide range of special needs. We use play as a way to teach and have family fun. At Lekotek, often for the first time, children experience success while gaining confidence and acquiring new skills.

During monthly one hour professionally-guided play sessions there are no expectations to perform. At the end of each session, select adapted toys and technology are loaned for the family to play with at home.

Play session fees are \$240 per year. Scholarships are available and no family is ever denied services. In addition to the main office in Atlanta, Lekotek satellites are in Kennesaw, Duluth, Gainesville, Cumming and Peachtree City.

Lekotek provides an atmosphere of pressure-free learning, where children can simply enjoy play – where being exactly who they are is welcomed.
