Play...it's for everyone. For families and children with disabilities, finding ways to include children in everyday play can be a challenge. With adapted toys, computer equipment, and educational materials, Lekotek helps all children learn through play. Each day Lekotek of Georgia, a nonprofit organization, helps children with disabilities succeed. Join the race and support kids with disabilities. You don't have to be an athlete to participate, just a person who wants to make a difference.
