

Lekotek of Georgia

Family Survey 2022

Our vision: A world where children with special needs are included and empowered through play

Our mission: Lekotek of Georgia's mission is to facilitate the inclusion of children with disabilities into family, school and community life by providing accessible play, adaptive technology & toys, information and resources.

Lekotek of Georgia conducts an annual survey to ensure that we are providing high quality valuable services for children with disabilities and meeting the needs of their families.

We are proud of the results shown below but more importantly of our Lekotek graduates who today are attending colleges and/or working in their communities.

This is Lekotek's true measure of success.
