Camp Offers “Fun for All Kids”

Lekotek provides a unique summer experience for children with disabilities, their siblings and/or friends. Using diverse software and input devices, children benefit from independent and group participation.

Campers experience fun-filled, challenging activities that develop literacy, communication, fine motor, cognitive and recreational abilities. Children with and without disabilities play and learn together within an environment that facilitates success. Please discuss whether camp is appropriate for your child with your Lekotek Leader prior to registration. Many children experience sensory overload when participating in large groups. Camp is most appropriate for a child who can attend to the computer for at least 15 to 20 minute periods.

CAMP ACTIVITIES:

The daily schedule will include the following:

- Individual computer activities
- Peer interaction/socialization
- Group activities
- Music
- Special Guests

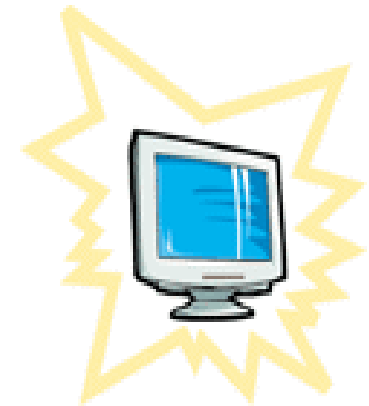

Software themes include art, music, stories, games and problem solving. Each computer station is supervised by a Lekotek staff member and two trained volunteers.

FEES:

- \$100 for one camper.
- \$125 per family includes registration for the child with a disability and a sibling or friend.
- Each participant will receive a snack and an individually designed T-shirt.
- Registration forms and full payment are due June 5th. Partial scholarships are available.
- Space is limited. Campers may attend one session only.

Each computer camp session is limited to 12 participants. Registration will begin Wednesday, April 15th, at 11:00 a.m. **in person** at the Cliff Valley Way location. Please call for directions or see our web site at www.lekotekga.org. Registration by phone will begin on Wednesday, April 15th after 2 p.m. for any remaining slots. **(404) 633-3430**
sorry, no exceptions

Registration will be received on a first come, first serve basis.
