JULY:

Bubbles By Hog Bay Software

For toddlers and parents who need a fun distraction. • Hear bubbles popping. • See bubbles fly from your fingers. • Feel gravity pull your bubbles downward. • Draw bubble letters, numbers, and shapes.

AUGUST:

Pepi Tree By Pepi Play

Encourage your kids playing and getting friends with those lovely tree inhabitants - a little caterpillar, an owl, a spider, the squirrels, a hedgehog and a mole. Each of them lives on a separate "floor" of the tree and represents different tasks to accomplish what makes six different games.

SEPTEMBER:

Word Wagon By Duck Duck Moose

Word Wagon is a fun, award-winning app teaching letters, phonics and spelling. Based on Common Core State Standards kids will learn letter names, sounds and spelling of 4 and 6 letter words.

OCTOBER:

Endless Alphabet By Originator Inc.

Set the stage for reading success with this delightfully interactive educational app. Kids will have a blast learning their ABC's and building vocabulary with the adorable monsters in Endless Alphabet. Each word features an interactive puzzle game with talking letters and a short animation illustrating the definition. Before you know it, your child will be using words like gargantuan and cooperate!

NOVEMBER:

TinyHands Sorting 2 By TinyHands Apps

"TinyHands Sorting 2" is an educational game for children of age 2.5 and up.

The game consists of 15 beautiful environments each focused on a set of basic concepts from the child's world such as shapes, colors, seasons, animals and vehicles.

DECEMBER:

Don't Let the Pigeons Run this App! By Disney

"Don't Let the Pigeon Run This App!" lets you create your own Pigeon stories with your pal, Mo Willems. Just follow as the Bus Driver asks you for your ideas—then shake the Pigeon. Your story is ready! Sit back and enjoy the show. Once you're finished, try it again...and again. You can make as many silly stories as you want.
