

JANUARY:

Thomas & Friends: Magic Tracks By Kids Train Adventures

Customizable magical train set lets your little conductor shape their own fun adventure. Ride the rails with your favorite engines and collect all the toys and decorations you need to create your very own Island of Sodor!

FEBRUARY:

LEGO DUPLO Town By Build, Explore, Play!

Let your young child build creative, virtual play houses with fun, brightly-colored LEGO® DUPLO® bricks, and play out everyday life with characters, pets and simple routines and scenarios they know from their own life.

MARCH:

Whose Toes Are Those? By Animal Learning Games for Kids

The Educational Preschool Game Show for Children, Kids, Babies and Toddlers - Family Friendly - This is an app that has a "throwback" game show feeling to it. It has kids match animal feet with the face or head of the correct animal. The music is engaging in that over-the-top game way.

APRIL:

Tiggly Cardtoons By Tiggly

Count, drag, match, and enjoy as the seemingly simple buttons you create come alive becoming part of a wildly imaginative cornucopia of storytelling. Ordinary pieces of cardboard shuffle into a variety of positions, each time becoming something new and unexpected. Requires purchase of Tiggly Math toys for iPad

MAY:

Baby View By Wayne Smith

Baby View is a stimulating world of high contrast scenes designed to engage and delight your baby! Baby View is a great way to encourage eye co-ordination and focus in babies in the formative months of their lives.

JUNE:
