Disney Junior Appisodes will entertain, engage, and enrich preschoolers with interactive shows and books featuring all your favorite Disney, Pixar, and Marvel friends.

FEBRUARY:

LEGO DUPLO Train By Build, Explore, Play!

All aboard! Driving the colorful LEGO® DUPLO® Train from station to station is any toddler's dream. Your child will play the role of the train driver, load cargo, build bridges, stop at crossings, help passengers, refuel, and lay new tracks to steer the train safely around obstacles..

MARCH:

Nighty Night By Fox and Sheep GmbH

A daily go-to-sleep ritual with cute animals, sweet lullaby music and great narration. All around the house the lights go out, and in the barn even the animals are tired. But who puts them to bed? Who turns out the lights in their stalls? That is the task for small children aged 1-4. Watching all the animals go to sleep is a lovely way to set the mood for bedtime.

APRIL:

Endless Reader By Originator, Inc

Kids will have a blast learning sight words and their context and usage with the adorable Endless monsters. Each word features an interactive word puzzle with letters that come alive, and then a sentence puzzle with words that become what they describe. See the word "dog" as a barking dog, and the word "up" reach for the sky!

MAY:

JUNE:

Meet the Numberblocks! By Blue Zoo

This free introductory app introduces the child to the Numberblocks and helps develop their counting skills. Each Numberblock has its number of Numberblobs to count, the child has to tap on the Numberblobs to count them and when they have all been counted, a video clip plays the Numberblocks song.

JULY:

Dinosaur Plane By Yateland

Jump into a plane to navigate around the world and visit friends in famous places! You will enjoy gorgeous scenery and sound effects that immerse you and make you feel as if you are really traveling around the globe. Locations on your journey include continental Europe, where you will fly past the Louvre Museum, Leaning Tower of Pisa, and Parthenon Temple. You will also see iconic spots where you can discover ancient culture, such as the Great Sphinx and Pyramids in Egypt! Even if spots are located far apart, your time in the air will fly by as you enjoy your journey. There are 36 famous places for you to explore!

AUGUST:

Osmo Detective Agency By Tangible Play

Get your maps, your magnifying glass, and detective skills! As the head of your own detective agency, your job is to travel the world helping people solve mysteries! But be careful! You'll need sharp eyes, a clever mind, and a taste for adventure. Are you ready to crack the case?

SEPTEMBER:

Sharing with Duckie Deck By Duckie Deck Development

Play, learn and smile together! Sharing with Duckie Deck is a beautiful and upbeat six-game collection geared towards children aged 2-5 years. The games teach kids that sharing is caring, while training and applying deductive reasoning skills. With each individual game played, the player collects fun stickers and badges in a special drawer. Colorful graphics, cheerful characters and catchy sound effects will engage and stimulate a toddler's imagination, making it fun to transfer new skills to everyday life.

OCTOBER:

Sensory Sound Box By Cognable

Cause and Effect Sensory Sound Box is a developmental touch skills app.

Each of the twenty-four scenes plays a continuous sound which changes its pitch or intensity as one or two fingers move around the screen. Colourful abstract animations appropriate for any age-group complement the sounds closely.

NOVEMBER:

Grandpa's Workshop By FairLady Media

This dancing Grandpa and his wacky tools are ready for fun and projects in the workshop! Grandpa needs help identifying tools, measuring, cutting wood, spotting differences, painting furniture, repairing broken items, and even building an awesome kids' clubhouse! The game includes seven action-packed mini-games loaded with educational content (number groups, measuring, fractions, colors, observation, spatial relationships) and videos of real tools in action!

DECEMBER:

Grandma's Garden By Fair Lady Media

Join this charming dancing Grandma and all her silly veggies for fun adventures in the garden! She needs your help to match up the vegetables, identify letters, color the veggie, choose the right colors, and more. Grandma will teach you all about how things grow in real-live gardening videos. Plus, pick surprise goodies from Grandma's bag!
