5K, 10K &
1 MILE FUN RUN

CORPORATE
SPONSORSHIP
PROPOSAL

LEKOTEK KIDS MAKE GREAT STRIDES ONE STEP AT A TIME.

Support the 30th Annual
Lekotek Run and strengthen
their strides.

On a daily basis, Lekotek is opening doors for children with Down Syndrome, spina bifida, cerebral palsy, muscular dystrophy, autism, developmental delays, genetic disorders, hearing and visual disabilities, and chronic and terminal illnesses. Lekotek leaders, trained in special education, use select toys, computers, iPads and adapted devices designed to develop fine motor skills, language and choice making abilities. Children look forward to the ever-changing array of experiences and successes as each new toy is introduced. Parents, too, enjoy having access to a diverse selection of toys which facilitate the development of skills and greater independence at home and school.

Lekotek helps parents and siblings focus on the child's abilities rather than disabilities. Family members are encouraged to participate in our music group, sibling program and community activities. While typical therapies are designed to meet the needs of the child, Lekotek strives to meet the needs of the entire family while developing the child's cognitive, language and motor skills.

Lekotek is a nonprofit organization with tax-exempt 501 c3 status. All donations are tax deductible and will be acknowledged within 48 hours. Please help make a difference for children who do not have time to wait.
