COVID-19 Guidelines

Lekotek is **OPEN** for individual family play sessions if you meet the following criteria:

**Fully Vaccinated Adults may attend Lekotek Sessions with their child(ren) with no restrictions.**

Attending adults who have not been vaccinated must meet the following criteria:

- No one in your household has COVID, COVID Symptoms, or a pending COVID test.
- No one in your household has been exposed to COVID in the last 14 days without masks and social distancing.
- No one attending Lekotek has traveled by plane, cruise ship, or out of the country in the last 14 days.
- No one attending Lekotek sessions has been in a group of 10 or more without masks or social distancing including sports, school, church, dining out etc.

**Lekotek's Commitment to You:**

- Hand Sanitizer and Disposable Masks available as needed.
- All high-contact surfaces are frequently disinfected to ensure family and staff safety.
- All Adults Must wear a mask.

Children are encouraged to wear a mask if they can tolerate it.
